

FEATURE YOUR WEDDING IN OUR NEXT EDITION

Each edition of The Bride's Diary presents a Real Life Weddings feature, celebrating the stunning weddings held throughout each State and highlighting the work of Australia's leading reception venues, event stylists, couturiers, photographers, florists, stationers and cake specialists.

We invite you to send your wedding story to us for possible inclusion within the Real Life Weddings feature of the next edition of The Bride's Diary. This is a fabulous opportunity for you to see your wedding in print and to inspire future brides as they plan their special day...

WHAT WE ARE LOOKING FOR

It's all about the details! Brides-to-be love reading about all the creative ideas that helped make your day unique so please provide images of every aspect of your wedding, including the stationery, ceremony and reception venues, table settings, flowers and decorations, cake and bomboniere, transport, and of course, the dress! Please also provide a detailed wedding story outlining how you met, the proposal, and your wedding day.

HOW TO SUBMIT YOUR WEDDING

Please complete the attached Word Document, outlining all the details of your wedding. Don't forget to include the contact details of your service providers as this will help future brides as they plan their own wedding. Wedding profiles and photographs can be emailed to design@wppublishing.com.au or posted to The Bride's Diary - PO Box 834 Bowral NSW 2576.

Please include permission from your photographer that allows the The Bride's Diary to reproduce the photographs, and ensure all digital photographs are high resolution. Should you want the photographs returned, please include a stamped, self-addressed envelope of the correct size.
